2.5. To communicate with and perform the applicable agreements with our service providers.

2.6. For detecting, taking steps to prevent, and prosecution of fraud or other illegal activity, to identify and repair errors, to conduct audits, and for security purposes. Personal Data may also be used to comply with applicable laws, with investigations performed by the relevant authorities, law enforcement purposes, and/or to exercise or defend legal claims. In certain cases, we may or will anonymize or de-identify your Personal Data.

3. HOW WE SHARE YOUR PERSONAL DATA

We may share your Personal Data with the following parties, for the purposes set forth above:

3.1. With our hosting providers.

3.2. With our customers, service providers, vendors, suppliers and business partners.

3.3. With our staff and other entities within our group.

In addition, we may also share your Personal Data in the following cases:

3.4. To the extent necessary, with regulators, courts or competent authorities, to comply with applicable laws, regulations and rules (including, without limitation, federal, state or local laws), and requests of law enforcement, regulatory and other governmental agencies or if required to do so by court order;

3.5. If, in the future, we sell or transfer, or we consider selling or transferring, some or all of our business, shares or assets to a third party, we may disclose your Personal Data to such third party (whether actual or potential) in connection with the foregoing events;

3.6. In the event that we are acquired by, or merged with, a third party entity, or in the event of bankruptcy or a comparable event, we reserve the right to transfer, disclose or assign your Personal Data in connection with the foregoing events; and/or

3.7. Where you have provided your consent to us sharing or transferring your Personal Data (e.g., where you provide us with marketing consents or opt-in to optional additional services or functionality).

4. USE OF ANONYMOUS INFORMATION

"Anonymous Information" means information which does not enable identification of an individual user, such as aggregated information about the use of our services. We may use Anonymous Information and/or disclose it to third parties without restrictions (for example, in order to improve our services and enhance your experience with them).

5. HOW WE PROTECT YOUR PERSONAL DATA

Security. We have implemented appropriate technical, organizational and security measures designed to protect your Personal Data. However, please note that we cannot guarantee that the information will not be compromised as a result of unauthorized penetration to our servers. As the security of information depends in part on the security of the computer, device or network you use to communicate with us and the security you use to protect your user IDs and passwords, please make sure to take appropriate measures to protect this information.

6. YOUR PRIVACY RIGHTS

You have the right to request access to your Personal Data stored in Saiflow's database. Where you have exercised your right of access, and you have found that your Personal Data is incorrect, incomplete, unclear or not up to date, you have the right to request rectification or deletion of such data. You can exercise your rights by contacting us at contact@saiflow.com Subject to legal and other permissible considerations, we will make every reasonable effort to honor your request promptly in accordance with applicable law or inform you if we require further information in order to fulfil your request. When processing your request, we may ask you for additional information to confirm or verify your identity and for security purposes, before processing and/or honoring your request. We reserve the right to charge a fee where permitted by law, for instance if your request is manifestly unfounded or excessive. In the event that your request would adversely affect the rights and freedoms of others (for example, would impact the duty of confidentiality we owe to others) or if we are legally entitled to deal with your request in a different way than initial requested, we will address your request to the maximum extent possible, all in accordance with applicable law.

7. USE BY CHILDREN

We do not offer our products or services for use by children and, therefore, we do not knowingly collect Personal Data from, and/or about children under the age of eighteen (18). If you are under the age of eighteen (18), do not provide any Personal Data to us without involvement of a parent or a guardian. In the event that we become aware that you provide Personal Data in violation of applicable privacy laws,

we reserve the right to delete it. If you believe that we might have any such information, please contact us at contact@saiflow.com.

8. INTERACTION WITH THIRD PARTY PRODUCTS

We enable you to interact with third party websites, mobile software applications and products or services that are not owned or controlled by us (each a "**Third Party Service**"). We are not responsible for the privacy practices or the content of such Third Party Services. Please be aware that Third Party Services can collect Personal Data from you. Accordingly, we encourage you to read the terms and conditions and privacy policies of each Third Party Service.

9. LOG FILES AND COOKIES

We may use log files. The information inside the log files includes internet protocol (IP) addresses, type of browser, Internet Service Provider (ISP), date/time stamp, referring/exit pages, clicked pages and any other information your browser may send to us. We use such information to analyze trends, administer the Site, track users' movement around the Site, and gather demographic information.

Our services may utilize "cookies", anonymous identifiers and other tracking technologies in order for us to provide our services. A "cookie" is a small text file that may be used, for example, to collect information about activity in the Website. Certain cookies and other technologies may serve to recall Personal Information, such as an IP address, previously indicated by a user. Most browsers allow you to control cookies, including whether or not to accept them and how to remove them. You may set most browsers to notify you if you receive a cookie, or you may choose to block cookies with your browser.

10. ANALYTIC TOOLS

· **Google Analytics**. The Website uses a tool called "**Google Analytics**" to collect information about use of the Website. Google Analytics collects information such as how often users visit this Website, what pages they visit when they do so, and what other websites they used prior to coming to this Website. We use the information we get from Google Analytics to maintain and improve the Website and our products. We do not combine the information collected through the use of Google Analytics with personal information we collect. Google's ability to use and share information collected by Google Analytics about your visits to this Website is restricted by the Google Analytics Terms of Service, available at https://marketingplatform.google.com/about/analytics/terms/us/, and the Google Privacy Policy, available at https://www.google.com/policies/privacy/. You may learn more about how Google collects and processes data specifically in connection with Google Analytics at https://www.google.com/policies/privacy/partners/. You may prevent your data from being used by Google Analytics by downloading and

installing the Google Analytics Opt-out Browser Add-on, available at https://tools.google.com/dlpage/gaoptout/.

· **Hotjar**. The Website uses Hotjar in order to better understand our users' needs and to optimize this service and experience. Hotjar is a technology service that helps us better understand our users experience (e.g. how much time they spend on which pages, which links they choose to click, what users do and don't like, etc.) and this enables us to build and maintain our service with user feedback. Hotjar uses cookies and other technologies to collect data on our users' behavior and their devices (in particular device's IP address (captured and stored only in anonymized form), device screen size, device type (unique device identifiers), browser information, geographic location (country only), preferred language used to display our Website). Hotjar stores this information in a pseudonymized user profile. Neither Hotjar nor we will ever use this information to identify individual users or to match it with further data on an individual user. For further details, please see Hotjar's privacy policy at https://www.hotjar.com/legal/policies/privacy. You can opt-out to the creation of a user profile, Hotjar's storing of data about your usage of our Website and Hotjar's use of tracking cookies on other websites on this link https://www.hotjar.com/legal/compliance/opt-out.

We reserve the right to remove or add new analytic tools.

11. SPECIFIC PROVISIONS APPLICABLE UNDER CALIFORNIA PRIVACY LAW

Do Not Track ("DNT") is a privacy preference that users can set in certain web browsers. Please note that we do not respond to or honor DNT signals or similar mechanisms transmitted by web browsers.
